3 Read the following, then answer the questions:

Most people have three meals every day, breakfast, lunch and dinner. They eat these meals at known times ,in the morning ,in the afternoon and in the evening. But in fact most of them don't care about what they should eat in each meal. Doctors say that healthy food is very important, and people should eat lots of fruits and vegetables.

People should not eat too many cakes. Doctors advise people to drink a lot of water and milk every day and not to have too many sugar drinks. To keep healthy, doctors advise people not to stay at home all the time. They should go for walks, do exercise or practise any sport.
